DIVISION THREE

B210508 People (Not for Publication)
v.
Gabriel Trujillo & George Arturo Morachis

The judgments are modified to indicate, with respect to each defendant, only a single five-year enhancement under Penal Code section 667, subdivision (a), and not three such enhancements (one of which is stayed). The abstracts of judgment, which indicate only two such enhancements (and make no mention of the third, stayed enhancement) are to be corrected by the clerk of the superior court to delete one of the two Penal Code section 667, subdivision (a)(1) enhancements, resulting in an overall prison term of 43 years, 8 months, rather than 48 years, 8 months. The clerk of the superior court is directed to forward the corrected abstracts of judgment to the Department of Corrections and Rehabilitation. In all other respects, the judgments are affirmed.
